**3) NANOG 61 Brainstorming**

- The committee discussed several different topics, speakers for the meeting to include.
- Keynote – This was presented a few meeting ago but it was a favorable talk and with so many newcomers attending it's a good idea to do again.
- Talk # 3 – Manish will work with author to add some material.
- Talk # 4 – Needs a deck.
- Talk # 5 – Need further development of deck and more rating from PC.
- Talk # 6 – Need more info on what will be discussed.
- Talk # 7 – Need more info as this presentation would include demos.
- Talk # 8 – Good talk; need to work on presenter, would this be town hall style or panel.
- Talk # 9 – Good talk; just need to figure out where to fit in schedule.
- Talk # 10 – Talk was accepted for Atlanta but had to pull out, would like to see again.
- Talk # 11 – Good talk, will give him feedback on removing logos from his presentation if accepted.
- Talk # 12 – Ask speaker for sample slides.

- Talk # 13 – Talk was given at last meeting, would like to do it for 61 adding further content.
- Potential talks and speakers were discussed and PC members will recruit and see if they can get them to submit to PC tool.
- There was also discussion to bring in more tutorials, targeting for 4 90-minute slots, and considering bringing in tutorials done in the past.
